

successMEASURES

STANDARDS + ASSESSMENTS = SUCCESS MEASURES

The Florida Department of Education has developed an online tool to help parents and families throughout the state learn about changes to our standards and assessments.

This new resource, called **Success Measures** will provide parents and students with information on what is being taught and tested in our classrooms.

Log on today to learn more about:

- The materials students will be learning.
- When and how your student will be tested.
- Why our assessment program is changing.

Try these three easy steps to learn more:

STEP # 1 Go to www.fldoe.org/successmeasures.

STEP # 2 Select the grade level and school year for your child.

STEP # 3 Submit the course(s) in Reading/Language Arts, Mathematics, Science, Social Studies, Health or Physical Education your child will be taking.

Then sit back and enjoy learning more about your child's assessment experience!

SUCCESS MEASURES

STANDARDS + ASSESSMENTS = SUCCESS MEASURES

- In the coming years, Florida’s student testing landscape will be changing dramatically.
- It’s important that parents and students have a resource to better understand these changes, why they are occurring and how these changes could impact them.
- That is why the Florida Department of Education has created the new [Success Measures](#) website.
- Through [Success Measures](#), parents will have the opportunity to research what is changing about Florida’s assessment system and how those changes might impact their child.
- Parents can also take advantage of an exciting new interactive tool built to personalize their experience called the [Success Measures Pathway Tool](#).
- Using the [Success Measures Pathway Tool](#), parents can receive personalized feedback with details on the content that will be covered in their child’s courses in addition to the specific assessments their child will be taking.
- Be sure to check out the Success Measures website and the pathway tool at www.fldoe.org/SuccessMeasures today!
